Post-Allowance Communication

It has come to the Examiner's attention that claims 13-37 in this application were misnumbered. There was not, nor has there been a Claim 12 in this application. However, in an amendment filed on June 10, 2004, non-elected claims 16-37 were canceled, leaving claims 1-15 as pending.

Claim Objections

1. The numbering of claims is not in accordance with 37 CFR 1.126 which requires the original numbering of the claims to be preserved throughout the prosecution. When claims are canceled, the remaining claims must not be renumbered. When new claims are presented, they must be numbered consecutively beginning with the number next following the highest numbered claims previously presented (whether entered or not).

Misnumbered claims 13-15 been renumbered as claims 12-14. Further, any dependencies of these claims have been changed accordingly.

Allowable Subject Matter

2. Claims 1-14 allowed.
